LETTER

FROM

THE SECRETARY OF THE INTERIOR,

TRANSMITTING,

In response to Senate resolution of January 17, 1888, certain information relative to railroad land grants in Kansas.

MAY 16, 1888.—Referred to the Committee on Printing.

MAY 21, 1888.—Committee reported adversely on question of printing.

JUNE 14, 1888.—Ordered to be printed.

DEPARTMENT OF THE INTERIOR,
Washington, May 15, 1888.

SIR: Herewith I have the honor to transmit, in response to Senate resolution, dated January 17, 1888, a letter from the Commissioner of the General Land Office, with inclosures.

The resolution is as follows:

Resolved, That the Secretary of the Interior be, and is, directed to furnish to the Senate, as soon as practicable, information as to proceedings, etc., under the acts of Congress approved March 3, 1863 (12 Stats., 772), and July 26, 1866 (14 Stats., 289), making grants of lands to the State of Kansas in aid of railroad companies therein named, as follows, to wit:

1. Copies of General Land Office letters withdrawing lands from market; the date when received at local land office, and whether after such letters were so received the officers of the proper local land office permitted settlers to file declaratory statements, pay fees, or do any other official act as to any lands so withdrawn to perfect title to any land under the homestead, pre-emption, or other laws.

2. Copies of the maps of definite location of each of the roads mentioned in said acts and when filed, with copies of the lines of constructed roads, all on one map, showing the sections, towns, and ranges of land with the lines of granted and indemnity limits of each of said roads, and showing the location of rivers and points on said roads mentioned in said act; the line of road in Kansas which runs from Hannibal, Mo., through Parsons, in Kansas, to the southern line of said State, and thence into the Indian Territory; the line of road constructed by the Leavenworth, Pawnee and Western Railroad Company and its successors under the acts of July 1, 1862 (12 Stats., 489, secs. 3-9, etc.), and July 2, 1864 (13 Stats., 358, secs. 4-12, etc.), with lines of its granted and indemnity limits.

3. The location on said map of the Osage ceded lands under the treaty concluded June 2, 1825 (7 Stats., 240).

4. The location of the New York Indian Reservation under treaty of January 15, 1838 (7 Stats., 550), with copy of the President's proclamation of August 21, 1860, in relation to lands therein; what, if anything, was done under said treaty and proclamation; and copy of the letter of the Commissioner of the General Land Office to the Secretary of the Interior of October 31, 1887, as to the status of lands in said reservation.

5. Copies of the certificates of the completion of all the sections of said road under said act of 1866, of all the sections of the road first mentioned in said act of 1863, and of the sections of the second mentioned road in said act so far as they cross the granted and indemnity limits of the other two roads.

6. Copies of patents issued and of all lists of selections of indemnity lands, with dates of approval, under said act of 1866.

7. Whether the road first mentioned in said act of 1863, or any branch thereof, was ever completed, and any decision in the Interior Department as to the right of indemnity lands for said road.

8. A list of even sections of land selected as indemnity in favor of the road mentioned in said act of 1866 which lie within the granted limits of the road first mentioned in said act of 1866, and a similar list of the even sections within the overlapping indemnity limits of said two roads.

9. Similar lists of the odd sections so selected.

10. A statement of the number of acres of land patented, and also of lands selected as indemnity under said act of 1866 and yet held by the railway company named therein, its successors, or grantees.

11. The length of the road constructed under said act; the length of that portion of it from its northern terminus to the point (Emporia) where it crosses the second-mentioned road in said act of 1863; the distance from that point by way of the line of road constructed under said act of 1866 to the following named points on said road, to wit: to the north boundary of the Osage ceded lands; to the point (Channute) where said road crosses the road first mentioned in said act of 1863; to the point (Parsons) where said road reaches and connects with said road running westward from Hannibal; and to the south line of the State of Kansas.

12. Copies of the evidence of the completion of said road made under acts of 1862 and 1864, so far as said road is within the granted and indemnity limits of said act of 1866.

13. The date when the line of definite location of said road was filed through such limits.

14. State whether said company or its successors, named in the acts of 1862 and 1864, and the second company named in the act of 1863, each earned or received the lands granted in their favor, respectively, within their respective granted limits, so far as they are in the overlapping, granted, or indemnity limits of the road made under the act of 1866, and before any right to such lands could have attached under said last-named act.

15. A list of homestead and pre-emption entries of lands in Allen County, Kans., subsisting July 26, 1866, within the granted limits of the road mentioned in the act of that date, canceled since that date, with the disposition made of such lands, and a similar list and statement as to lands within the indemnity limits of said road.

Said letter and accompanying papers contain the information desired as set forth in said resolution.

Very respectfully,

WM. F. VILAS,
Secretary.

The PRESIDENT OF THE SENATE PRO TEMPORE.

DEPARTMENT OF THE INTERIOR,
GENERAL LAND OFFICE,
Washington, May 12, 1888.

Hon. W. F. VILAS,
Secretary of the Interior:

SIR: I am in receipt, through reference by the Department on the 19th January last, of report of Senate resolution passed January 17, directing the Secretary of the Interior to furnish, for the use of the Senate, as soon as practicable, information as to proceedings, etc., under the acts of Congress approved March 3, 1863 (12 Stats., 772), and July 26, 1866 (14 Stats., 289), making grants of lands to the State of Kansas in aid of certain railroad companies therein named, as follows:

(1) Copies of General Land Office letters withdrawing lands from market, the date when received at local land office, and whether, after such letters were so received, the officers of the proper local land office permitted settlers to file declaratory statements, pay fees, or do any other official act as to any lands so withdrawn to perfect title to any land under the homestead, pre-emption, or other laws.

(2) Copies of the maps of definite location of each of the roads mentioned in said acts and when filed, with copies of lines of constructed roads, all on one map showing the sections, towns, and ranges, of land, with the lines of granted and indemnity limits of

each of said roads, and showing the location of rivers and points on said roads, mentioned in said act; the line of road in Kansas which runs from Hannibal, Mo., through Parson, in Kansas, to the southern line of said State, and thence into the Indian Territory; the line of road constructed by the Leavenworth, Pawnee and Western Railroad Company, and its successors, under the acts of July 1, 1862 (12 Stats., 489, sec. 3-9, etc.), and July 2, 1864 (13 Stats., 389, sec. 4-12, etc.), with lines of its granted and indemnity limits.

(3) The location on said map of the Osage ceded lands under the treaty concluded June 2, 1825 (7 Stat., 240).

(4) The location of the New York Indian Reservation under treaty of January 15, 1838 (7 Stat., 550), with copy of the President's proclamation of August 21, 1860, in relation to lands therein, what, if anything, was done under said treaty and proclamation, and copy of the letter of the Commissioner General Land Office to the Secretary of the Interior of October 31, 1887, as to the status of lands in said reservation.

(5) Copies of the certificates of the completion of all the sections of said road under said act of 1866, of all the sections of the road first mentioned in said act of 1863, and of the sections of the second mentioned road in said act, so far as they cross the granted and indemnity limits of the other two roads.

(6) Copies of patents issued and of all lists of sections of indemnity lands, with dates of approval under said act of 1866.

(7) Whether the road first mentioned in said act of 1863 or any branch thereof was ever completed and any decision in the Interior Department as to the right of indemnity lands for said road.

(8) A list of even sections of land selected as indemnity in favor of the road mentioned in said act of 1866 which lie within the granted limits of the road first mentioned in said act of 1866, and a similar list of the even sections within the overlapping indemnity limits of said two roads.

(9) Similar lists of the odd sections so selected.

(10) A statement of the number of acres of lands patented, and also of lands selected as indemnity under said act of 1866 and yet held by the railway company named therein, its successors, or grantees.

(11) The length of the road constructed under said act, the length of that portion of it from its northern terminus to the point (Emporia) where it crosses the second mentioned road in said act of 1863, the distance from that point by way of the line of road constructed under said act of 1866 to the following named points on said road, to wit: To the north boundary of the Osage ceded lands, to the point (Chanute) where said road crosses the road first mentioned in said act of 1863; to the point (Parsons) where said road reaches and connects with said road running westward from Hannibal; and to the south line of the State of Kansas.

(12) Copies of the evidence of the completion of said road made under said acts of 1862 and 1864, so far as said road is within the granted and indemnity limits of said act of 1866.

(13) The date when the line of definite location of said road was filed, through such limits.

(14) State whether said company or its successors named in the acts of 1862 and 1864, and the second company named in the act of 1863, each earned or received the lands granted in their favor respectively within their respective granted limits so far as they are in the overlapping granted or indemnity limits of the road made under the act of 1866, and before any right to such lands could have attached under said last-named act.

(15) A list of homestead and pre-emption entries of land in Allen County, Kans., subsisting July 26, 1866, within the granted limits of the road mentioned in the act of that date, canceled since that date, with the disposition made of such lands, and a similar list and statement as to lands within the indemnity limits of said road.

In reply, I have the honor to report as follows, answering the several inquiries in the order presented.

(1) In compliance with this request I inclose copies of the following papers:

1. Copy of office letter dated March 19, 1863, approved by the Secretary of the Interior April 20, 1863, addressed to the registers and receivers at Humboldt, Junction City, Topeka, and Atchison, Kans., ordering the withdrawal of the lands within 10 miles of the probable routes of the roads mentioned in the act of March 3, 1863. Received at Humboldt May 5, 1863; at Junction City May 4, 1863; at Topeka May 1, 1863, and at Atchison April 30, 1863. (Inclosure No. 1.)

2. Copy of office letter dated March 19, 1867, to the registers and receivers, Humboldt, Topeka, and Junction City, Kans., ordering withdrawal of lands for the benefit of the road mentioned in the act of July 26, 1866. Received at Humboldt April 3, 1867, at Junction City April 1, 1867, at Topeka April 2, 1867. (Inclosure No. 2.)

3. Copy of office letter dated April 30, 1867, to the registers and receivers at Humboldt and Topeka, Kans., ordering withdrawal for benefit of road first mentioned in act of March 3, 1863. Receipt acknowledged by local officers May 10, 1867. (Inclosure No. 3.)

4. Copy of office letter dated January 21, 1868, to the register and receiver at Humboldt, Kans., ordering withdrawal of Osage ceded lands for benefit of the Leavenworth, Lawrence and Galveston, and the Union Pacific, Southern Branch, Railroads. Received February 6, 1868. (Inclosure No. 4.)

5. Copy of office letter dated December 30, 1868, to the register and receiver at Topeka, Kans., ordering withdrawal between Atchison and Emporia for the benefit of Atchison, Topeka and Santa Fé Railroad. Received January 9, 1869. (Inclosure No. 5.)

6. Copy of office letter dated October 8, 1869, to register and receiver, Humboldt, Kans., ordering withdrawal for the Union Pacific Railroad, Southern Branch. Received October 20, 1869. (Inclosure No. 6.)

7. Copies of office letters dated October 23, 1869, to the registers and receivers at Humboldt, Topeka, and Junction City, Kans., ordering withdrawal for benefit of Atchison, Topeka and Santa Fé Railroad between Emporia and Wichita. Received at Humboldt November 4, at Topeka November 5, 1869, and at Junction City November 3, 1869. (Inclosures Nos. 7, 8, and 9.)

These withdrawals were strictly enforced and entries of the lands covered thereby were not permitted unless based on a settlement initiated prior to the withdrawal.

(2) In answer to this inquiry I inclose a sectionized diagram of so much of the State of Kansas as lies east of the west line of range 8 west, on which I have delineated the lines of definite location and construction of the roads mentioned in the inquiry, together with the granted and indemnity limits of the grants for said roads, and also the location of the rivers and points mentioned in the acts of March 3, 1863, and July 26, 1866. (Inclosure No. 10.)

The line of road from Hannibal, Mo., to Parsons, Kans., is not represented upon said diagram, there being no data in this office from which the location of said road can be ascertained.

The maps of definite location of the roads mentioned in the acts of 1863 and 1866, so far as the same are shown upon the above-mentioned map, were filed in this office, as follows:

Leavenworth, Lawrence and Galveston Railroad:

From Lawrence to northern boundary of Osage ceded lands. November 28, 1866.

From northern boundary of Osage ceded lands to southern boundary of Kansas. January 2, 1868.

Atchison, Topeka and Santa Fé Railroad:

From Atchison to Emporia. October 19, 1868.

From Emporia to Wichita. September 3, 1869.

Union Pacific, Southern Branch, now Missouri, Kansas and Texas Railway:

From Junction City to northern boundary of Osage ceded lands. February 19, 1867.

From northern boundary of Osage ceded lands to the southern boundary of Kansas. January 8, 1868.

(3) The location of the Osage ceded lands is shown upon the diagram above mentioned.

(4) The location of the New York Indian Reservation, under treaty of January 15, 1838, is also shown upon said diagram.

A copy of the President's proclamation, dated August 21, 1860, in relation to the lands within said reservation, is inclosed (inclosure No. 11).

A full statement of what was done under the treaty of 1838 will be found in Senate Mis. Doc. No. 38, Forty-seventh Congress, second session. As to the action taken by this office and Department leading to, and under, the proclamation of the President, it appears that on August 6, 1860, a letter was addressed to the Commissioner of Indian Affairs stating that this office had been orally informed that the Indian Office desired the land embraced in the New York Indian Reservation brought

into market, and requesting the opinion of the Commissioner in the matter. No reply to this letter appears to have been received, but on August 17, 1860, a proposed proclamation for the sale of said lands was submitted by this office to the Secretary of the Interior, and was signed by the President on the 21st of the same month, in conformity with which the lands were duly offered at public sale.

A copy of letter from the Commissioner of this office to the Secretary of the Interior, October 31, 1887, relative to lands within said reservation is inclosed. (Inclosure No. 12.)

(5) Copies of the certificates of the completion of the Leavenworth, Lawrence and Galveston (so far as completed), the Atchison, Topeka and Santa Fé, and the Missouri, Kansas and Texas Railroads are inclosed. (Inclosures Nos. 13, 14, and 15.)

(6) I inclose copies of patents issued to Missouri, Kansas and Texas Railway Company, under the act of 1866, for indemnity lands in Allen County, Kans. (inclosures 16 to 20), and also copies of all lists of indemnity lands selected by and approved to said company, with dates of approval. (Inclosures 21 to 40.)

(7) The Leavenworth, Lawrence and Galveston Railroad (the road first mentioned in the act of 1863) was completed from Lawrence to the southern boundary of Kansas within the period prescribed by the granting act. Neither the branch line nor that portion of the main line of said road which was to extend from Leavenworth to Lawrence have ever been completed.

I know of no decision by the Interior Department as to the right of indemnity for said road.

Under the act of 1863, said company's right to the lands within its indemnity limits could not become perfect so as to give the company the right to sell the same until its entire road was completed. This was never done, and no indemnity lands were ever certified for the benefit of said company. Under the act of Congress approved July 24, 1876, declaring a forfeiture of so much of the lands granted for said road as had not been patented to the railroad company, or earned by the completion of its road, the lands within its indemnity limits, and not within the limits of the Missouri, Kansas and Texas grants, were treated as forfeited and restored to entry under the homestead laws.

(8) I inclose a list of lands in the even sections selected by the Missouri, Kansas and Texas Railway Company as indemnity, under the act of 1866, within the granted limits of the Leavenworth, Lawrence and Galveston Railroad, the road first mentioned in the act of 1863 (inclosure No. 41), and a similar list of even sections within the overlapping indemnity limits of said two roads. (Inclosure No. 42.)

(9) I inclose similar lists of the odd sections selected by the Missouri, Kansas and Texas Railway Company as indemnity within the overlapping granted and indemnity limits of the Leavenworth, Lawrence and Galveston Railroad. (Inclosures Nos. 43 and 44.)

(10) The number of acres certified and patented to the Missouri, Kansas and Texas Railway Company under the acts of 1863 and 1866, and still held by said company, its successors and grantees, is 616,721.43 acres, of which 117,556.08 acres are within the granted limits, and 499,165.35 acres within the indemnity limits.

In addition to the foregoing, there are within the granted limits 1,020 acres which are vacant and subject to the grant, and indemnity selections to the amount of 5,758.62 acres are pending in this office.

(11) The length of the Missouri, Kansas and Texas Railroad from Junction City to the southern boundary of the State of Kansas, ac-

cording to the map of constructed road filed by said company, is 180.5 miles. The intermediate distances are as follows: From Junction City to Emporia, 61 miles; thence to the northern boundary of the Osage ceded lands, 63 miles; thence to Chanute, 4.5 miles; thence to Parsons, 26.5 miles; thence to the southern boundary of Kansas, 25.5 miles.

(12) I inclose copies of the papers on file in this office constituting the evidence of the completion of the Union Pacific Railway, Eastern Division, afterwards the Kansas Pacific Railway, constructed under the acts of July 1, 1862, and July 2, 1864, so far as the same is within the granted and indemnity limits of the grant to the Missouri, Kansas and Texas Railway Company (inclosures 45 and 46).

(13) The Kansas Pacific Railway was definitely located through the limits of the Missouri, Kansas and Texas grant on the following dates, viz: From Kansas City to Fort Riley, January 11, 1866, and from Fort Riley to Fort Harker, May 8, 1867.

(14) With respect to the inquiry whether the Kansas Pacific Railway Company, under the acts of 1862 and 1864, and the Atchison, Topeka and Santa Fé Railroad Company, under the act of 1863, earned the lands within their respective granted limits, so far as they are within the overlapping granted and indemnity limits of the Missouri, Kansas and Texas grant, under the act of 1866, before any right to such lands could have attached under the said act of 1866, I have to state that the principle in such cases is well settled that priority of grant gives priority of right. The grants to the two companies first mentioned were both prior to that to the Missouri, Kansas and Texas Railway Company by the act of 1866. Their roads were definitely located through the limits of the grant of 1866 and the lands earned by construction, so that it was impossible for any right to the lands within the overlapping limits to attach under the grant of 1866.

If, however, this inquiry is made for the purpose of ascertaining whether the two companies first mentioned earned their lands by the construction of their roads before the definite location of the Missouri, Kansas and Texas Railroad I have to say that the construction of the Kansas Pacific Railway through the grant of 1866 was accepted by the President on October 15, 1866, and January 22, 1867, while the Missouri, Kansas and Texas Railroad was not definitely located until February 19, 1867. The Atchison, Topeka and Santa Fé Railroad was constructed through the grant of 1866 during the years 1870 and 1871, after the definite location of the Missouri, Kansas and Texas Railroad.

(15) I inclose a list of homestead and pre-emption entries of lands in Allen County, Kans., subsisting July 26, 1866, within the granted limits of the grant made by act of that date, and since canceled, with the disposition made of such lands (inclosure No. 47), and a similar list and statement as to lands within the indemnity limits of said grant (inclosure 48).

The list of lands within the granted limits of the grant of 1866 embraces the odd sections only, as said grant did not include the even sections within such limits.

The resolution is herewith returned.

Very respectfully,

S. M. STOCKSLAGER,
Commissioner.

A 1.—Names of settlers and description of the odd-numbered sections of land settled upon by such settlers within the granted limits of the Atchison, Topeka and Santa Fé Railroad prior to the definite location of said road.

[South of base line and east of sixth principal meridian.—Between Atchison and Emporia; purported definite location October 19, 1868.]

On January 30, 1871, a map was received from the Secretary of the Interior, purporting to be the definite location of the road from Wichita to Fort Dodge, connecting with the map received September 3, 1869, from Emporia to Wichita.

The map received September 23, 1871, purported to be a map of amended definite location from Newton to Sec. 27, T. 33 S., R. 5 W., near Hutchinson.

On April 19, 1872, a map was received from the Secretary of the Interior, purporting to be the definite location of the road from the mouth of Pawnee Creek, near Fort Larned, to the west line of range 27 west.

In view of these amendments, the location of September 3, 1869, has been taken as the location from Emporia to Newton, and that of September 23, 1871, from Newton to Fort Larned.

A 2.—Names of settlers and a description of the lands settled upon within the indemnity limits of the Atchison, Topeka and Santa Fé Railroad prior to the selection of such lands by said railroad company.
